

USJournal.com Academic Program Selection Chart to be completed with each new promotional campaign (Fax to 866-477-9810 for immediate attention.)

Thanks for advertising with USJournal.com! We look forward to working with you.

We customize each campaign by promoting the specific programs available on your campus. To help us populate our database with your programs, please check the boxes below for each program you would like to feature on our site. We also encourage you to submit (via e-mail to cheryl@USJournal.com) specific academic majors within each category, i.e. *Accounting* as part of a Masters Program in Business / Management.

You may promote as many academic programs as you'd like, all for the same reasonable cost.

A few minutes after a student inquires about your particular program, we send an automatic acknowledgement of his / her inquiry. Please send cheryl@USJournal.com specific instructions for us to include, so the prospective student fully understands the next step in the process of formally applying.

Please fax this completed sheet to **866-477-9810**. Let me know if you have any questions: cheryl@USJournal.com or call 570-205-4020. We appreciate your feedback.
